

WE HAVE RESOURCES!

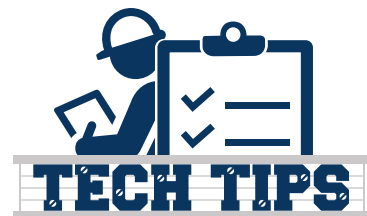

We're in a digital era, are you taking advantage of it? Did you know that there are many [Trane](#) and [American Standard](#) technical videos available to you? We wanted to take a moment to share online resources that are available to you 24/7, 365 days a year.

If you have ever been to a Munch University Class, you've likely heard us reference www.Fieldtechhelp.com. You may have even seen some of these videos in our product training courses. Whether it is an online course or a short online video targeting installation, configuration and troubleshooting, we should all take a moment and take advantage of these resources.

There are more than 700 total courses available. Many of these do not require any credentials to watch. Simply visit www.Fieldtechhelp.com and target the product you'd like to learn about. There are also in-depth installation and product training offerings if you log in with your ASDealernet or Comfortsite login credentials.

See the attached spreadsheets for links to more than 150 open courses and videos for Trane and American Standard.

Plus, don't forget about our monthly newsletters for technical tips, online class offerings and additional resources.
